

9 February 2017

Dear Parents,

We are writing to inform you of the changes to a number of events in the next few weeks, as well as events that will stay as normal.

**Year 5-12 Swimming Carnival** - This will now take place on Monday 13 February for Students in years 5 – 12. The weekend is forecast for a few days over forty degrees. We are hoping that Monday will be much cooler but we ask that students are prepared with sunscreen, a hat and lots of water.

**Meet the Teacher Night** – In the past we have started this event at 7pm. This year we will start at 6pm. This is a time where parents are able to see inside the classroom. Please note this is not a one on one appointment with your child's teacher but a group session for teachers to run through what is expected of your child for the year. We will start in the Junior School Quadrangle for a small introduction.

**Year 12 Valentine's Day Fundraiser** – This will take place on Tuesday 14 February. Students will be able to place orders until Monday the 13 February. Orders are to be made to Year 12 Students at recess and lunchtime with full payment required for purchases made at the time of ordering.

**Year 7 Camp** – Forms have been handed to students. Parents please make sure all forms are filled in and returned to the office as soon as possible, whether your child is attending or not. The school needs permission for your child to attend camp and also to participate in activities.

**Year 11 Information Night** – Year 11 students and parents are invited to an information night on Monday 20 February. Parents will receive information on assessments and work required of students for the Preliminary Higher School Certificate Course. The meeting will also allow parents to ask questions about their child's progress in the course.

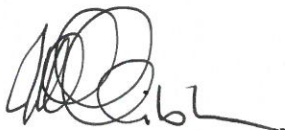

**Maths and Chess Club** – Maths Club Started yesterday and teachers were very excited about the group of students who attended. Teachers are interested in Year 11 and 12 students who would like extra help in maths. If your child is interested in this, please contact our Admin Office. Maths Club is \$10 per session and runs on Wednesdays 3:30pm – 4:30pm.

Chess Club will start soon and will run on a morning, once a week, for Year 7- 12 students. More information about the Chess Club will be available soon.

We apologise for the confusion and we hope that this helps confirm any doubt. We also ask that parents constantly check our college website at [www.mvac.adventist.edu.au](http://www.mvac.adventist.edu.au) in the parent information section for updates and information.

For more information, please contact our College office on (02) 9622 2424.

Yours Sincerely,

**Mrs Jenny Gibbons**  
College Principal
