

Health & Safety Precautions during COVID-19 Phase 2

To assist in protecting students, staff and visitors, the College has implemented the following measures :

- Parents are no longer permitted past the internal gates except for carline in the afternoons.
- Students are to bring in their own drink bottles for water as bubblers will be closed.
- Students will be spaced out within classrooms as much as possible.
- Separate designated recess and lunch areas based on year groups where possible.
- Buses disinfected after each bus run.
- Upon arrival to school, all students, staff and visitors will have their temperature checked.
- Daily deep cleaning of all high-use areas.
- Junior playground equipment cleaned after each play session.
- Any student who displays symptoms of being unwell must be kept at home.
- If a student becomes unwell at school the student will be isolated and families will be asked to collect them.
- Healthy hygiene practices will be followed.
