School returns full time 25 May

Dear Parents and Carers

Yesterday afternoon the NSW Premier announced that state schools will be returning to full time learning on 25 May. In light of this decision Mountain View Adventist College is looking forward to **all year levels, Prep to Year 12, returning to school five days a week from Monday 25 May.**

This means we enter into **Phase 3** of our COVID-19 planning where all students are on campus five days a week, and we continue our extra precautions with **cleaning, hygiene** and social distancing where appropriate. Staff are very conscious of maintaining physical distance in meetings and staff rooms in order to protect the health of all, and we utilise online platforms where possible.

Students with increased **health** risk may continue to learn at home to suit their individual needs. If your child is in this category, please notify their classroom or home room teacher so that suitable work can be arranged.

All students and staff will continue to have their **temperature checked** by infrared thermometer prior to entering the campus. If your child is unwell, please follow health advice and keep them at home.

Assemblies, chapels, excursions and representative sport will not go ahead until we are given clearance by the government.

Bus runs will return to normal on Monday 25 May. We ask that you maintain **social distancing** if you are dropping off or picking up your children. To protect the health of the children and staff, parents and carers will not be allowed on campus, and are to remain in their cars when using car line.

The **canteen** is open from 8 am serving breakfast and lunch, with eftpos now available. The bubblers will continue to be turned off so please ensure that your child/ren bring a **water bottle** to school. The **uniform shop** is also open with appropriate hygiene measures in place.

Thank you again for your continued support of Mountain View and as we look forward to welcoming all students back to full-time school. Please be assured that we are committed
