

Health & Safety Precautions during COVID-19 Term 3

To assist in protecting students, staff and visitors, the College has implemented the following measures :

- All staff and students follow healthy hygiene practices including regular hand washing
- Parents are not permitted past the internal gates except for carline in the afternoons.
- Students are to bring in their own drink bottles for water as bubblers will be closed.
- Students are encouraged to follow social distancing.
- Daily deep cleaning of all high-use areas.
- Sport equipment disinfected after use.
- Buses disinfected after each bus run.
- Daily deep cleaning of all high-use areas.
- Junior playground equipment cleaned after each play session.
- Any student who displays symptoms of being unwell must be kept at home.
- If a student becomes unwell at school the student will be isolated and families will be asked to collect them.
- Healthy hygiene practices will be followed.
